## Help keep Great Lakes history afloat!

**H<sub>2</sub>Oh!** is the annual fundraiser of the **Great Lakes Historical Society** and its **National Museum of the Great Lakes**. Every year we bring together hundreds of individuals and community leaders passionate about preserving and making known the history of the Great Lakes. This mission-driven gathering includes a live and silent auction as well as the announcement of our Luck of the Lakes raffle winner. It is our single largest fundraiser of the year with proceeds covering around 20% of our total annual operating budget.

**EVENT DETAILS:** This year the H<sub>2</sub>Oh! Gala is on Saturday, September 23 from 6 - 9 p.m. at the beautifully restored ProMedica Headquarters in downtown Toledo, Ohio. The silent auction begins online September 11 and ends the evening of September 23. You do not have to attend the gala to bid on the auction items, however gala attendees can view the auction items at the event. Gala Tickets are \$100 each.
